Product function:

The mirror link for IOS and Android dual tone car stereo is widely compatible with iPhone XR, iPhone 8Plus, and Android 10 or earlier versions. With the original data cable, navigation, calls, music and video can be displayed on compatible vehicles.

Handsfree Control and Audio Streaming This car stereo with Bluetooth can be used for wireless hands-free calls, videos, phonebook, and audio streaming. You can control the increase/decrease of tracks and volume, as well as play/pause through the stereo system. Music ID3 tag information displayed in BT music mode.

USB fast charging adopts a 1.5A USB design, allowing you to connect and charge your smartphone in the car.

Easy installation of high-definition rear view camera, high-definition reverse camera, easy to install, even at night or in dim light, when the vehicle is reversing, it can automatically capture clear images on the display screen.

7 multi-color LED buttons allow you to choose from 7 stylish LED buttons in different colors to decorate your car. (Blue/Green/Cyan/Red/Magenta/Yellow/White/Auto)

AM/FM radio receives memory from 30 stations and enjoys AM/FM broadcasts, allowing you to listen to your favorite sports, news, and music broadcasts.

Steering wheel controlYou can use the existing steering wheel control buttons to control the car radio without the need for additional steering wheel controller adapters. For cars without steering wheel audio control, it is strongly recommended to use the included wireless IR remote control for easy operation.

With the 7/9/10 inch HD touchscreen monitor, you can enjoy your favorite movies or music from your devices with the Aux input/USB port/micro SD, supporting audio format: MP3/WMA/AVI/MKV/MP4/WMV/RMVB/MPEG and video format:RM/RMVB/DVD(VOB)/VCD(DAT)/MP1/MP2/DIVX/XVID/MP4/H263/H264/FLV/3GP/SWF/AVI/ASF/MJPEG etc. This double din stereo is not a CD/DVD Player

100% standard mounting size perfectly match your cars, please double check the dash size before ordering.
